RE: OPTIONS FOR PAYMENT TO THE BAY COUNTY TREASURER

---

In an effort to continue to provide excellent service and reduce or slow the spread of COVID-19, Bay County Treasurer Shawna Walraven has opened a drop box for payments to be made at the Madison Ave. entrance between the doors of the Bay County Building. The Bay County Building is located at 515 Center Ave., Bay City, MI 48708. The drop box is a secure option for payments to be deposited 24 hours a day, seven days a week.

“It’s important that we are able to offer multiple options for our constituents to make their payments in a safe and efficient manner. The drop box is just another option for the convenience and safety of our customers and employees,” Walraven said.

Taxpayers are encouraged to call or visit the website rather than visit in-person. Payments can be mailed, made over the phone or online. Staff will be able to complete nearly all transactions through these methods. The Bay County Treasurer’s Office can be reached at (989) 895-4285 or [www.baycounty-mi.gov/Treasurer](http://www.baycounty-mi.gov/Treasurer)
