WHEREAS, there has been submitted to this Board of Commissioners for such purpose a proposed Bay Area Water Treatment Plant and Raw Water Transmission Mains Project Contract between the County, by and through its the Board of County Road Commissioners, as designated County Agency, and the Municipalities (the "Contract"), and

WHEREAS, there have also been submitted, for approval and adoption by this Board of Commissioners, preliminary plans and an estimate of the cost of the acquisition and construction of the Project; and

THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Bay, Michigan, as follows:

3. ESTABLISHMENT OF SYSTEM; APPROVAL OF PROJECT AND DESIGNATION OF COUNTY AGENCY. 5. SERIES 2013 BONDS AUTHORIZED. To pay part of the cost of the Project, including payment of legal, financial and other expenses incidental thereto and incidental to the issuance and sale of the Series 2013 Bonds, the County shall borrow the sum of Forty-Two Million Dollars (\$42,000,000), and issue the Series 2013 Bonds therefor pursuant to the provisions of Act 342, Act 94 and other applicable statutory provisions. The remaining cost of Project shall be paid by the County from the issuance of additional bonds, federal or state grants and/or from funds on hand and legally available for such use.

6. SERIES 2013-A BOND DETAILS. The Series 2013-A Bonds shall be designated "Water Supply System Revenue Bonds, Series 2013-A"; shall be dated the date of their delivery thereof; shall be numbered from 1 upward; shall be fully registered; shall be in any denomination not exceeding the aggregate principal amount for each maturity at the option of the bondholder (provided, however, that so long as the Series 2013-A Bonds are registered in the name of the Authority, the Series 2013-A Bonds may be in the form of a single bond in the denomination of \$12,000,000, with an exhibit attached thereto which identifies the annual maturities for the Series 2013-A Bonds and references herein to the Series 2013-A Bonds shall mean that single bond registered in the name of the Authority); shall bear interest at the rate of 2.00% per annum, from the date of delivery of the various principal installments as hereinafter described, payable on such dates as shall be determined by the Chairperson of the Board of Commissioners; and shall mature on such dates and in such years and principal amounts as shall be determined by the Chairperson of the Board of Commissioners, provided that the final

maturity date shall not be later than 30 years after the date on which the Series 2013-A Bonds are delivered to the original purchaser thereof.

The Series 2013-A Bonds are expected to be delivered to the Authority as the initial purchaser thereof in installments equal to the amounts advanced from time to time by the Authority to the County pursuant to the Series 2013-A Purchase Contract and the Supplemental Agreement (each as hereinafter defined).

7. SERIES 2013-B BOND DETAILS. The Series 2013-B Bonds shall be designated "Water Supply System Revenue Bonds, Series 2013-B"; shall be dated the date of delivery thereof in the principal amount of \$30,000,000; shall be issued as serial bonds or term bonds, as determined by order of the Chairperson of the Board of Commissioners; shall be fully registered; shall be numbered from 1 upwards; shall be in the denomination of \$5,000 each or any integral multiple thereof not exceeding the aggregate principal amount for each maturity at the option of the bondholder; shall be sold at par or a discount as shall be determined by the Chairperson of the Board of Commissioners, provided that such discount shall not exceed 4.00% of the aggregate principal amount of the Series 2013-B Bonds; shall bear interest at the rates as shall be determined by the Chairperson of the Board of Commissioners, provided that the net interest rate on the Series 2013-B Bonds shall not exceed 7.00% per annum; shall be payable as to interest on the dates as shall be determined by the Chairperson of the Board of Commissioners, and shall mature in such principal amounts and on such dates as shall be determined by the Chairperson of the Board of Commissioners, provided that the final maturity date shall be not later than 30 years after the date on which the Series 2013-B Bonds are delivered to the initial purchaser thereof.

8. PAYMENT OF PRINCIPAL AND INTEREST. The Bonds and the interest thereon shall be payable from the Net Revenues, and to secure such payment, there is hereby created a statutory lien, upon the whole of the Net Revenues that shall be a first lien to continue

until payment in full of the principal of and interest on all Bonds payable from the Net Revenues, or until sufficient cash or direct obligations of the United States of America or obligations the principal and interest of which are fully guaranteed by the United States of America, not redeemable at the option of the issuer thereof, the principal and interest payments on which, without reinvestment of interest, come due at such times and in such amounts as to be fully sufficient to pay, when due, the principal of and interest on all Bonds payable from the Net Revenues on their stated maturity date or earlier redemption, shall have been deposited in trust for payment in full of such Bonds to their maturity or, if called for redemption, to the date fixed for redemption. Upon such deposit, the statutory lien herein created shall be terminated with respect to such Bonds, the holders of such Bonds shall have no further rights under this Resolution except for payment from the deposited funds, and such Bonds no longer shall be considered to be outstanding under this Resolution

The principal of, premium, if any, and interest on the Series 2013-A Bonds shall be payable in lawful money of the United States. So long as the Series 2013-A Bonds are registered in the name of the Authority, the Series 2013-A Bonds are payable as to principal, redemption premium, if any, and interest at The Bank of New York Mellon Trust Company, N.A. or at such other place as shall be designated in writing to the County by the Authority (the "Authority's 2013-A Depository"). So long as the Authority is the owner of the Series 2013-A Bonds, the County agrees that it will deposit with the Authority's 2013-A Depository payments of the principal of, premium, if any, and interest on the Series 2013-A Bonds in immediately available funds at least five business days prior to the date on which any such payment is due, whether by maturity, redemption or otherwise. If the Series 2013-A Bonds are not registered in the name of the Authority, the principal of and premium, if any, on the Series 2013-A Bonds are payable upon the surrender thereof at the office of the bond registrar and paying agent and the interest is payable by check or draft mailed by the bond registrar and paying agent to the registered owner of the Series 2013-A Bonds at the address appearing on the registration books of the County kept

by the bond registrar and paying agent as of the 15th day of the month preceding the month in which an interest payment is due.

The principal of, premium, if any, and interest on the Series 2013-B Bonds shall be payable in lawful money of the United States. Notwithstanding any other provision of this Resolution to the contrary, so long as the Series 2013-B Bonds are owned by the Authority, (a) the Series 2013-B Bonds are payable as to principal, premium, if any, and interest at the corporate trust office of U.S. Bank National Association, St. Paul, MN or at such other place as shall be designated in writing to the County by the Authority (the "Authority's 2013-B Depository"); (b) the County agrees that it will deposit with the Authority's 2013-B Depository payments of the principal of, premium, if any, and interest on the Series 2013-B Bonds in immediately available funds at least five business days prior to the date on which any such payment is due, whether by maturity, redemption or otherwise; and (c) written notice of any redemption of the bonds shall be given by the County and received by the Authority's Depository at least 40 days prior to the date on which redemption is to be made. If the Series 2013-B Bonds are not registered in the name of the Authority, the principal of and premium, if any, on the Series B Bonds are payable upon the surrender thereof at the office of the bond registrar and paying agent and the interest is payable by check or draft mailed by the bond registrar and paying agent to the registered owner of the bonds at the address appearing on the registration books of the County kept by the bond registrar and paying agent as of the 15th day of the month preceding the month in which an interest payment is due.

9. PRIOR REDEMPTION. The Series 2013-A Bonds shall be subject to redemption prior to maturity upon the terms and conditions set forth in the form of Series 2013-A Bond set forth in Section 23 hereof. The Series 2013-B Bonds shall be subject to redemption prior to maturity upon the terms and conditions as shall be determined by the Chairperson of the Board of Commissioners.

10. BOND REGISTRAR AND PAYING AGENT. Until a successor is appointed by the Board of Commissioners, the County Treasurer shall be the bond registrar and paying agent for the Series 2013 Bonds.

11. EXECUTION AND DELIVERY OF THE SERIES 2013 BONDS. The Series 2013 Bonds shall be executed in the name of the County by the manual or facsimile signatures of the Chairperson of the Board of Commissioners and the County Clerk and authenticated by the manual signature of the bond registrar and paying agent, and the seal of the County (or a facsimile thereof) shall be impressed or imprinted on the Series 2013 Bonds. After the Series 2013-A Bonds have been executed and authenticate for delivery to the Authority as the initial purchaser thereof, they shall be delivered by the County Treasurer or the Chairperson of the Board of Commissioners to the purchaser upon receipt of the first principal payment from the purchaser or upon compliance with the terms and conditions of the Series 2013-A Purchase Contract (as hereinafter defined). After the Series 2013-B Bonds have been executed and authenticated for delivery to the Authority as the original purchaser, they shall be delivered by the County Treasurer or the Chairperson of the Board of Commissioners to the purchaser upon receipt of the purchase price or upon compliance with the terms and conditions of the Series 2013-B Purchase Contract (as hereinafter defined). Additional Series 2013 Bonds bearing the manual or facsimile signatures of the Chairperson of the Board of Commissioners and the County Clerk, and upon which the seal of the County (or a facsimile thereof) has been impressed or imprinted, may be delivered to the bond registrar and paying agent for authentication and delivery in connection with the exchange or transfer of the Series 2013 Bonds.

12. EXCHANGE AND TRANSFER OF THE SERIES 2013 BONDS. Any Series 2013 Bond, upon surrender thereof to the bond registrar and paying agent with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney, at the option of the registered owner thereof,

may be exchanged for Series 2013 Bonds of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Series 2013 Bond. Each Series 2013 Bond shall be transferable only upon the books of the County, which shall be kept for that purpose by the bond registrar and paying agent, upon surrender of such Series 2013 Bond together with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or his duly authorized attorney.

Upon the exchange or transfer of any Series 2013 Bond, the bond registrar and paying agent on behalf of the County shall cancel the surrendered Series 2013 Bond and shall authenticate and deliver to the transferee a new Series 2013 Bond or Bonds of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered Series 2013 Bond. If, at the time the bond registrar and paying agent authenticates and delivers a new Series 2013 Bond pursuant to this Section, payment of interest on the Series 2013 Bonds is in default, the bond registrar and paying agent shall endorse upon the new Series 2013 Bond the following: "Payment of interest on this bond is in default. The last date to which interest has been paid is _____, ____."

The County and the bond registrar and paying agent may deem and treat the person in whose name the Series 2013 Bonds shall be registered upon the books of the County as the absolute owner of the Series 2013 Bonds, whether such Series 2013 Bonds shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Series 2013 Bonds and for all other purposes, and all payments made to such registered owner, or upon his order, in accordance with the provisions of the Resolution shall be valid and effectual to satisfy and discharge the liability upon such Series 2013 Bonds to the extent of the sum or sums so paid, and neither the County nor the bond registrar and paying agent shall be affected by any notice to

the contrary. Registration of the Series 2013 Bonds shall not be transferred less than five (5) days prior to an interest payment date.

For every exchange or transfer of the Series 2013 Bonds, the County or the bond registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The bond registrar and paying agent shall not be required to transfer or exchange Series 2013 Bonds or portions of Series 2013 Bonds which have been selected for redemption.

13. BONDHOLDERS' RIGHTS; RECEIVER. The registered owner or owners of the Bonds representing in the aggregate not less than twenty percent (20%) of the entire principal amount thereof then outstanding may, by suit, action, mandamus or other proceedings, protect and enforce the statutory lien upon the Net Revenues and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the County, including the fixing of sufficient rates, the collection of Revenues, the proper segregation of the Revenues of the System and the proper application thereof. The statutory lien upon the Net Revenues, however, shall not be construed as to compel the sale of the System or any part thereof.

If there is a default in the payment of the principal of or interest on the Bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate the System on behalf of the County and under the direction of the court, and by and with the approval of the court to perform all of the duties of the officers of the County more particularly set forth herein and in Act 94.

The registered owner or owners of the Bonds shall have all other rights and remedies given by Act 94 for the payment and enforcement of the Bonds and the security therefor.

14. RATES AND CHARGES. The rates and charges for service furnished by and the use of the System and the methods of collection and enforcement of the collection of the rates shall be those in effect on the date of adoption of this Resolution.

15. NO FREE SERVICE OR USE. No free service or use of the System, or service or use of the System at less than cost, shall be furnished by the System to any person, firm or corporation, public or private, or to any public agency or instrumentality.

16. FIXING AND REVISING RATES; RATE COVENANT. Rates shall be fixed and revised from time to time by the County Agency so as to produce amounts that are sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the System in good repair and working order, to pay an amount equal to at least 100% of the principal of and interest on the Bonds as the same become due and payable, and to provide for all other obligations, expenditures and funds for the System required by law and this Resolution. The County covenants and agrees to review such rates at least annually and maintain at all times such rates for service furnished by the System as shall be sufficient to provide for the foregoing.

17. OPERATING AND FISCAL YEAR. The System shall be operated on the basis of an operating and fiscal year commencing on January 1 and ending on the last day of the following December 31.

18. ACCOUNTS; FLOW OF FUNDS. All Revenues of the System shall be set aside as collected and credited to the WATER SUPPLY SYSTEM RECEIVING ACCOUNT (the

"Receiving Account") which is hereby established. Moneys on hand in the Receiving Account are pledged for the purpose of the following accounts and shall be transferred from the Receiving Account periodically in the manner and at the times and in the following order of priority:

A. Operation and Maintenance Account: There shall be first set aside in, or credited to, an account designated OPERATION AND MAINTENANCE ACCOUNT (the "Operation and Maintenance Account"), periodically, a sum sufficient to provide for all payment of the expenses of administration and operation of the System and such current expenses for maintenance thereof as may be necessary to preserve the System in good repair and working order.

B. Bond and Interest Redemption Account: There shall be established and maintained a separate depository account designated BOND AND INTEREST REDEMPTION ACCOUNT (the "Redemption Account"), the moneys on deposit therein from time to time to be used solely for the purpose of paying the principal of and interest on the Bonds. The moneys in the Redemption Account shall be accounted for separately.

After provision for the Operation and Maintenance Fund, there shall be set aside in the Redemption Account a sum proportionately sufficient to provide for the payment when due of the current principal of and interest on the Bonds, less any amount in the Redemption Account representing accrued interest or capitalized interest on the Bonds. Commencing the calendar quarter immediately following the date of delivery of the Bonds to the initial purchaser thereof (the "Delivery Date"), the amount set aside each quarter for interest on the Series 2013 Bonds shall be 1/2 of the total amount of interest on the Bonds next coming due. Commencing the calendar quarter immediately following the Delivery Date, the amount set aside each quarter for principal of the Bonds shall be 1/4 of the amount of principal next coming due by maturity.

If there is any deficiency in the amounts previously set aside, that deficiency shall be added to the next succeeding quarter's requirements.

No further payments need to be made into the Redemption Account after enough of the Bonds have been retired so that the amount then held in the Redemption Account is equal to the entire amount of principal and interest that will be payable at the time of maturity of all the then outstanding Bonds.

C. Repair and Replacement Account: There shall be established and maintained an account designated REPAIR, REPLACEMENT AND IMPROVEMENT ACCOUNT (the "Repair and Replacement Account"). The County Agency shall include in the annual budget and there shall be deposited in the Repair and Replacement Fund such amounts so as to maintain the System in proper repair and working order. Out of the Revenues remaining after meeting the quarterly requirements of the foregoing funds, there shall be deposited quarterly into the Repair and Replacement Fund such amounts described in the preceding sentence. The money deposited in said Fund shall be used for the purpose of paying the costs of making repairs and replacements to parts of the System as determined by the County Agency or to reimburse the County for any amounts advanced for such purpose.

D. Surplus Moneys: Any Revenues remaining in the Receiving Account at the end of any operating year after satisfying the foregoing requirements of this Section shall be deemed to be surplus moneys, and may, at the option of the County Agency, be used and applied for any purpose related to the System for which the foregoing accounts were established or to improve or extend the System; provided however, that if there should be any deficit in the Operation and Maintenance Account or the Redemption Account, then deposits of surplus moneys shall be made to such accounts in the priority and order named to the extent of any such deficit.

19. DEPOSITARY AND FUNDS ON HAND. Moneys in the several accounts of the System established pursuant to this Resolution and moneys derived from the proceeds of the sale of the Bonds shall be deposited with a bank, savings and loan association, or credit union designated by resolution of the Board of Commissioners. Moneys in the several accounts, except moneys in the Redemption Account and moneys derived from the proceeds of the sale of the Bonds, may be kept in one account at a bank, savings and loan association or credit union; provided that the moneys in the account shall be allocated on the books and records of the County Agency in the manner provided in this Resolution. The moneys in the Redemption Account and moneys derived from the proceeds of the sale of the Bonds shall each be kept in a separate depository account.

20. PRIORITY OF ACCOUNTS. In the event the moneys in the Receiving Account are insufficient to provide for the current requirements of the Operation and Maintenance Account or the Redemption Account, any moneys or securities in other funds of the System, except the proceeds of the sale of the Series 2013 Bonds, shall be credited or transferred, first, to the Operation and Maintenance Account and second, to the Redemption Account, to the extent of any deficit therein.

21. INVESTMENTS. Except as herein otherwise provided, moneys in the funds and accounts established herein and moneys derived from the proceeds of sale of the Series 2013 Bonds may be invested by the County in accordance with the County's investment policy adopted by the Board of Commissioners pursuant to Act 20, Public Acts of Michigan, 1943, as amended. Profit realized or interest income earned on investment of funds in the Receiving Account, the Operation and Maintenance Account, the Redemption Account and the Repair and Replacement Account shall be deposited in or credited as received to the Receiving Account.

22. SERIES 2013 BOND PROCEEDS. From the proceeds of the sale of the Series 2013 Bonds there shall be immediately deposited in the Redemption Account an amount equal to the accrued interest and premium, if any, received on the delivery of the Series 2013 Bonds. The balance of such proceeds shall be deposited in a construction fund and used solely to pay all or part of the cost of the Project and any engineering, legal and other expenses incident thereto, and shall be paid out only upon authorization of the County Agency; provided that the County Agency shall not authorize the payment of any such moneys for acquisition and construction until there shall have been first filed with it by the consulting engineer in charge of such work, a written statement to the effect that the sum so to be paid is in full or partial payment of a contractual obligation in connection with such improvements and that the County Agency has received the consideration for such payment. The statement of the consulting engineer shall also show the cost of acquisition and construction that has theretofore been approved by it for payment and the amount of the balance that will be required for completion of the Project.

23. SERIES 2013-A BOND FORM. The Series 2013-A Bonds shall be in substantially the following form, with such changes and additions as shall be determined appropriate by the Chairperson of the Board of Commissioners:

UNITED STATES OF AMERICA
STATE OF MICHIGAN

COUNTY OF BAY
WATER SUPPLY SYSTEM REVENUE BOND, SERIES 2013-A

<u>INTEREST RATE</u>	<u>MATURITY DATE</u>	<u>DATE OF ORIGINAL ISSUE</u>
_____ %	See Exhibit A	

Registered Owner: Michigan Finance Authority

Principal Amount:

The County of Bay, State of Michigan (the "County"), acknowledges itself indebted to and for value received hereby promises to pay to the Registered Owner identified above, or registered assigns, the Principal Amount set forth above or so much thereof as shall have been advanced to the County pursuant to a Purchase Contract between the County and the Michigan Finance Authority (the "Authority") and a Supplemental Agreement by and among the County, the Authority and the State of Michigan acting through the Department of Environmental Quality on the maturity dates and in the amounts set forth in Exhibit A attached hereto, unless redeemed prior thereto as hereinafter provided, the final payment to be made upon presentation and surrender of this bond at the office of the County Treasurer, County of Bay, Michigan, the bond registrar and paying agent, or at such successor bond registrar and paying agent as may be designated pursuant to the Resolution (as hereinafter defined), and to pay to the Registered Owner, as shown on the registration books at the close of business on the 15th day of the calendar month preceding the month in which an interest payment is due, by check or draft drawn upon and mailed by the bond registrar and paying agent by first class mail postage prepaid to the Registered Owner at the registered address, interest at the rate per annum specified above on such Principal Amount, to the extent advanced to the County pursuant to the Purchase Contract and the Supplemental Agreement and not forgiven pursuant to the related Order of Approval issued by the Michigan Department of Environmental Quality, until the County's obligation with respect to the payment of such Principal Amount is discharged. Interest is payable on the first days of _____ and _____ in each year, commencing on _____ 1, 201_. Principal and interest are payable in lawful money of the United States of America.

In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the Authority's cost of providing funds (as determined by the Authority) to make payment on the

bonds of the Authority issued to provide funds to purchase this bond but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the Authority has been fully reimbursed for all costs incurred by the Authority (as determined by the Authority) as a consequence of the County's default. Such additional interest shall be payable on the interest payment date following demand of the Authority. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the Authority) the investment of amounts in the reserve account established by the Authority for the bonds of the Authority issued to provide funds to purchase this bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the Authority issued to fund such account, the County shall and hereby agrees to pay on demand only the County's pro rata share (as determined by the Authority) of such deficiency as additional interest on this bond.

During the time funds are being drawn down by the County under this bond, the Authority periodically will provide the County a statement showing the amount of principal that has been advanced and the date of each advance, which statement shall constitute prima facie evidence of the reported information; provided that no failure on the part of the Authority to provide such a statement or to reflect a disbursement or the correct amount of a disbursement shall relieve the County of its obligation to repay the outstanding principal amount actually advanced, all accrued interest thereon, and any other amount payable with respect thereto in accordance with the terms of this bond.

This bond is a single obligation in the principal amount of _____ Dollars (\$ _____) issued by the County under and pursuant to a resolution duly adopted by the Board of Commissioners of the County on _____, 2013 (the "Resolution"), and under and in full compliance with the Constitution and statutes of the State of Michigan including specifically Act 342, Public Acts of 1939, as amended, and Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying part of the cost of acquiring and constructing the Bay Area Water Treatment Plant and Raw Water Transmission Mains Project as part of the Bay Area Water Treatment Plant and Raw Water Transmission Mains System (the "System").

The County has authorized and pledged the revenues of the System to be used to pay the principal of and interest on this bond and any other bonds payable from such revenues when due. In addition, the County has irrevocably pledged its full faith and credit for the prompt payment of the principal of and interest on this bond as the same become due. The principal of and interest on this bond are payable as a first budget obligation of the County from its general funds. The ability of the County to raise such funds is subject to applicable statutory and constitutional limitations on the taxing power of the County. The amount of taxes necessary to pay the principal of and interest on the bonds, together with the taxes levied for the same year, shall not exceed the limit authorized by law.

For a complete statement of the revenues from which and the conditions under which this bond is payable, a statement of the conditions under which additional bonds of equal standing may hereafter be issued, the rights and limitations on the owner of this bond and the general covenants and provisions pursuant to which this bond is issued, reference is made to the Resolution.

The County has covenanted and agreed, and does hereby covenant and agree to fix and maintain at all times while any bonds payable from the revenues of the System shall be outstanding, such rates for service furnished by the System as shall be sufficient to provide for payment of the principal of and interest on this bond and any other bonds payable from such revenues as and when the same shall become due and payable, and to maintain a bond redemption account therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for the System as are required by the Resolution.

This bond is transferable, as provided in the Resolution, only upon the books of the County kept for that purpose by the bond registrar and paying agent, upon the surrender of this bond together with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the Registered Owner or his attorney duly authorized in writing. It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this bond existed, have happened and have been performed in due time, form and manner as required by law, and that the total indebtedness of the County, including this bond, does not exceed any constitutional or statutory limitation.

This bond is a single obligation in the principal amount of _____ Dollars (\$ _____) issued by the County under and pursuant to a resolution duly adopted by the Board of Commissioners of the County on _____, 2013 (the "Resolution"), and under and in full compliance with the Constitution and statutes of the State of Michigan including specifically Act 94, Public Acts of Michigan, 1933, as amended, for the purpose of paying part of the cost of acquiring and constructing the Bay Area Water Treatment Plant and Raw Water Transmission Mains Project as part of the Bay Area Water Treatment Plant and Raw Water Transmission Mains System County (the "System").

25. SECURITY. It is expected that the principal of and interest on the Bonds will be paid from revenues of the System, and such revenues are hereby authorized to be used for such purpose. In addition, the full faith and credit of the County are pledged hereby to the payment of the principal and interest on the Series 2013 Bonds authorized by this Resolution. Each year the County shall include in its budget as a first budget obligation an amount sufficient to pay such principal and interest as the same shall become due. The ability of the County to raise such funds is subject to applicable constitutional, statutory and charter limitations on the taxing power of the County. The amount of taxes necessary to pay the principal of and interest on the Series 2013 Bonds, together with the taxes levied for the same year, shall not exceed the limit authorized by law. To the extent that the revenues of the System are insufficient to pay the principal of and interest on the Series 2013 Bonds, the proceeds of such taxes (both current and delinquent) shall be deposited as collected into the bond and interest redemption account established in Section 18B hereof, and until the principal of and the interest on the Series 2013 Bonds are paid in full, such proceeds shall be used only for payment of such principal and interest.

26. SALE, ISSUANCE, DELIVERY, TRANSFER AND EXCHANGE OF SERIES 2013 BONDS. The Series 2013 Bonds shall be sold at private, negotiated sales to the Authority, as authorized by Act 227. It is hereby determined that this method of sale is in the best interests of the County and is calculated to provide the County with the lowest cost of borrowing money.

The sale of the Series 2013-A Bonds shall be made pursuant to the terms and conditions to be set forth in a Purchase Contract (the "Series 2013-A Purchase Contract") and a Supplemental Agreement (the "Supplemental Agreement"). The Chairperson of the Board of Commissioners is authorized to execute and deliver the Supplemental Agreement and the Series 2013-A Purchase Contract in such forms as shall be approved by the Chairperson of the Board of Commissioners, with such approval to be evidenced by the Chairperson of the Board of

Commissioners' signature thereon. Notwithstanding any other provision of this Resolution, the Series 2013-A Bonds shall be initially sold to the Authority as one bond, numbered 1, in the full aggregate principal amount of the Series 2013-A Bonds. The Chairperson of the Board of Commissioners is authorized to execute one or more written orders (i) containing the determinations that the Chairperson of the Board of Commissioners is authorized to make as provided in this Resolution and (ii) making such changes in the provisions of the Series 2013-A Bonds or this Resolution to comply with the requirements of the Authority or otherwise to enable the Series 2013-A Bonds to be sold to the Authority. In addition, the Chairperson of the Board of Commissioners, the County Clerk, the County Treasurer, the County Finance Director and other County and County Agency employees and officials are authorized to execute and deliver to the Authority the Issuer's Certificate and any such certificates and documents as the Authority or bond counsel shall require and to do all other things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the Series 2013-A Bonds in accordance with the provisions of this Resolution.

The sale of the Series 2013-B Bonds shall be made pursuant to the terms and conditions to be set forth in a Purchase Contract (the "Series 2013-B Purchase Contract"). Notwithstanding any other provision of this Resolution, the Series 2013-B Bonds shall be initially sold to the Authority as one bond, numbered 1, in the full aggregate principal amount of the Series 2013-B Bonds. The Chairperson of the Board of Commissioners is authorized to execute one or more written orders (i) containing the determinations that the Chairperson of the Board of Commissioners is authorized to make as provided in this Resolution and (ii) making such changes in the provisions of the Series 2013-B Bonds or this Resolution to comply with the requirements of the Authority or otherwise to enable the Series 2013-B Bonds to be sold to the Authority; provided, however, that the net interest rate on the Series 2013-B Bonds shall not exceed 7.00% per annum. The Chairperson of the Board of Commissioners is authorized to execute and deliver the Series 2013-B Purchase Contract, in such form as the Chairperson of the

Board of Commissioners shall deem appropriate. In addition, the Chairperson of the Board of Commissioners, the County Clerk, the County Treasurer, the County Finance Director and other County and County Agency employees and officials are authorized to execute and deliver a nonarbitrage certificate, a non-litigation certificate and such other certificates or documents as the Authority and bond counsel shall require or are otherwise necessary to complete the transaction including, but not limited to, any certificates relating to federal or state securities laws, rules or regulations, and to do all other things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the Series 2013-B Bonds in accordance with the provisions of this Resolution.

27. REPLACEMENT OF BONDS. Upon receipt by the County Clerk of proof of ownership of an unmatured Bond, of satisfactory evidence that the Bond has been lost, apparently destroyed or wrongfully taken and of security or indemnity which complies with applicable law and is satisfactory to the County Clerk, the County Clerk may authorize the bond registrar and paying agent to deliver a new executed Bond to replace the Bond lost, apparently destroyed or wrongfully taken in compliance with applicable law. In the event an outstanding matured Bond is lost, apparently destroyed or wrongfully taken, the County Clerk may authorize the bond registrar and paying agent to pay the Bond without presentation upon the receipt of the same documentation required for the delivery of a replacement Bond. The bond registrar and paying agent, for each new Bond delivered or paid without presentation. as provided above, shall require the payment of expenses, including counsel fees, which may be incurred by the bond registrar and paying agent and the County in the premises. Any Bond delivered pursuant the provisions of this Section in lieu of any Bond lost, apparently destroyed or wrongfully taken shall be of the same form and tenor and be secured in the same manner as the Bond in substitution for which such Bond was delivered.

28. COVENANTS. The County hereby covenants and agrees with the registered owner, from time to time, of the Series 2013 Bonds herein proposed to be issued, that it will punctually perform all duties with reference to the System and the Series 2013 Bonds required by the Constitution and laws of the State of Michigan and by this Resolution; that it will not sell, lease, mortgage or in any manner dispose of the System or any substantial part thereof, until all Bonds shall have been paid in full; and that it will not, to the extent permitted by law, permit any person, firm or corporation to compete with it in the furnishing of water supply services to premises within its corporate limits. The County further covenants and agrees with the registered owner of the Series 2013 Bonds that it will maintain the System in good condition and operate the same in an efficient manner and at a reasonable cost, so long as the Series 2013 Bonds are outstanding; that it will maintain insurance on the System for the benefit of the registered owner of the Series 2013 Bonds in an amount that usually would be carried by private companies engaged in a similar type of business; that it will prepare, keep and file such records, statements and accounts as may be required by Act 94; and that it will furnish a copy of the foregoing statements and the annual audit of the System prepared by a certified public accountant to the registered owner of the Series 2013 Bonds upon payment of the actual cost of such copy.

29. ADDITIONAL BONDS. In accordance with the provisions of Act 94, the right is reserved to issue Additional Bonds payable from the Revenues of the System that shall be of equal standing and priority of lien on the Net Revenues of the System with the Series 2013 Bonds for completion of the Project, for the acquisition and construction of repairs, enlargements extensions, additions and improvements to the System, for refunding all or a part of any outstanding Bonds or any other debt incurred by the County for any purpose for which Bonds may be issued hereunder, for paying costs of issuing such Additional Bonds and for payment of interest on such Additional Bonds. Except as provided in the last paragraph of this Section, Additional Bonds for such purposes shall not be issued unless the actual or augmented (as

hereinafter detailed in this Section) Net Revenues of the System for the then last preceding audited fiscal year shall be equal to at least 100% of the maximum annual principal and interest requirements on any outstanding Bonds and Additional Bonds then being issued. If the Additional Bonds are to be issued in whole or in part for refunding of outstanding Bonds, the annual principal and interest requirements shall be determined by deducting from the principal and interest requirements for each fiscal year the annual principal and interest requirements of any Bonds or Bonds to be refunded from the proceeds of the Additional Bonds. For purposes of this Section, the County may elect to use as the last preceding fiscal year any fiscal year ending not more than sixteen months prior to the date of delivery of the Additional Bonds for which an audit is available. If any change in the rates, fees or charges of the System shall be authorized at or prior to the time of the resolution authorizing the sale of any Additional Bonds, the Net Revenues for the preceding fiscal year shall be augmented by an amount reflecting the effect of such change had the System's billings during such fiscal year been at the adopted rates. In addition, the actual Net Revenues for the preceding audited fiscal year may be augmented by 70% of the estimated increase in Net Revenues to accrue as a result of the acquisition and construction of the repairs, enlargements, extensions, additions and improvements to the System to be paid for in whole or in part from the proceeds of the Additional Bonds and 100% of the increase in Net Revenues resulting from any repair, enlargement, extension, addition or improvement that was made subsequent to the end of the last audited fiscal year. Determination by the County Agency as to existence of conditions permitting the issuance of Additional Bonds shall be conclusive; provided, however, that with respect to augmentation of Net Revenues, the County shall engage the services of and receive the certificate of a consulting engineer (with experience in advising municipalities with respect to setting rates and charges for the use of water supply systems) regarding the existence of such conditions or, if no augmentation is required, the County Agency may rely only on audited financial statements. Except as provided in the last paragraph of this Section no Additional Bonds of equal standing as to the Net Revenues of the System shall be issued pursuant to the authorization contained in this Section if

the County shall then be in default in making its required payments to any accounts created hereunder.

Notwithstanding any provision of this Section to the contrary, the County may issue Additional Bonds for any purpose described in this Section if it pledges the full faith and credit of the County as additional security for the payment of the principal of and interest on the Additional Bonds when due.

30. TAX COVENANT. The County covenants to comply with all requirements of the Internal Revenue Code of 1986, as amended, necessary to assure that the interest on the Series 2013 Bonds will be and will remain excludable from gross income for federal income tax purposes. The Chairperson of the Board of Commissioners, the County Clerk, the County Treasurer and the County Finance Director, and other appropriate employees and officials of the County and the County Agency, are to be authorized to do all things necessary to assure that the interest on the Series 2013 Bonds will be and will remain excludable from gross income for federal income tax purposes.

31. SALE, ISSUANCE, DELIVERY, TRANSFER AND EXCHANGE OF BONDS. The Chairperson of the Board of Commissioners, the County Clerk, the County Treasurer and the County Finance Director, and other officers and employees of the County and the County Agency, are authorized to do all things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the Series 2013 Bonds in accordance with the provisions of this Resolution.

32. APPROVAL OF MICHIGAN DEPARTMENT OF TREASURY. The issuance and sale of the Series 2013 Bonds is subject to approval being granted therefor by the

Department of Treasury of the State of Michigan in accordance with Act 34, Public Acts of Michigan, 2001, as amended ("Act 34"), and the County Treasurer and the Chairperson of the Board of Commissioners are each authorized to file an application with the Department of Treasury for permission to issue the Series 2013 Bonds as provided in Act 34.

33. OFFICIAL STATEMENT. The County Treasurer and the Chairperson of the Board of Commissioners are each authorized to approve on behalf of the County the disclosure relating to the County contained in the official statement relating to the initial offering of the Authority's bonds being issued for the purpose of raising moneys to purchase the Series 2013-B Bonds and are each further authorized to approve the use and distribution of such official statement by the underwriters of the Authority's bonds.

34. CONTINUING DISCLOSURE. The County Treasurer and the Chairperson of the Board of Commissioners are each authorized to execute and deliver in the name and on behalf of the County a continuing disclosure certificate in connection with the issuance of the Series 2013-B Bonds to comply with the requirements for a continuing disclosure undertaking by the County pursuant to paragraph (b)(5) of Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all the provisions of the Continuing Disclosure Certificate.

35. REDUCTION OF PRINCIPAL AMOUNTS OF SERIES 2013 BONDS. In the event that the Chairperson of the Board of Commissioners determines that it is not necessary for

the County to issue Series 2013 Bonds in the aggregate principal amounts set forth in Sections 5, 6 and 7 of this Resolution, the Chairperson of the Board of Commissioners is authorized to reduce such amounts by executing a written order that sets forth the new aggregate principal amounts of the Series 2013 Bonds and designates principal maturity amounts. In such case, the form of the Series 2013-A Bonds and the Series 2013-B Bonds set forth in this Resolution shall be modified accordingly.

36. RATIFICATION OF ACTIONS. The actions of the Director of the Bay County Department of Water and Sewer in connection with the applications with State of Michigan agencies for assistance through the Drinking Water Revolving Fund and other assistance relating to the Project are ratified and confirmed.

37. SUBSTITUTION OF VICE CHAIRPERSON FOR CHAIRPERSON. In the event of the unavailability of the Chairperson of the Board of Commissioners to take any action authorized by the terms of this Resolution, the Vice Chairperson of the Board of Commissioners is authorized to act for and in his place.

38. REPEAL, SAVINGS CLAUSE. All resolutions and parts thereof in conflict with the provisions of this Resolution are, to the extent of such conflict, repealed.

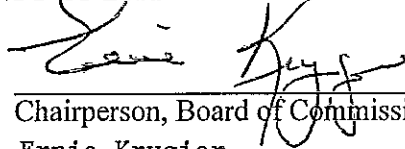

39. SEVERABILITY; PARAGRAPH HEADINGS; AND CONFLICT. If any paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such paragraph, clause or provision shall not affect any of the other provisions of this Resolution. The paragraph headings in this Resolution are furnished for convenience of reference only and shall not be considered to be part of this Resolution.

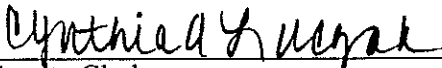

40. PUBLICATION AND RECORDATION. This Resolution shall be published in full once in a newspaper of general circulation in the County promptly after its adoption and shall be recorded in the minutes of the meeting of the Board of Commissioners at which this Resolution was adopted. Such recording shall be authenticated by the signatures of the Chairperson of the Board of Commissioners and the County Clerk.
