

# SUMMER RECREATION

## Participant Readiness

Our Summer Recreation Camp provides a fun, active, and safe environment where children can play, explore, and build friendships. Ensuring campers are ready for these expectations helps staff focus on creating great activities and experiences all summer long. Children should be able to meet the following expectations before attending camp.

-  **Stay With the Group:** Campers must be able to remain with their assigned group and counselors during activities, transitions, and outdoor play in an unfenced area.
-  **Independent Restroom Use:** Children should be able to use restroom facilities on their own without staff assistance.
-  **Positive Group Behavior:** Campers should participate respectfully in group settings and interact appropriately with other children.
-  **Follow Directions:** Participants must be able to listen to and follow instructions from camp counselors and staff.
-  **Be a Cooperative Participant:** Campers should demonstrate safe, respectful, and cooperative behavior to help create a positive camp environment for everyone.
-  **Our goal is to provide a fun, safe, and engaging summer for every child.**
-  **Please contact the recreation office if you have questions about whether camp is the right fit for your child.**
